

Since 2021, the European Funds and PNRR Department of the City of Turin has been online through the website www.torinoeuprojects.it and social media channels, which support the communication and dissemination of the Department's activities. These channels share the responsibilities of the journalistic platform and refer to the same editorial team.

Usage Licenses

Unless otherwise indicated, all published content (texts, graphics, images, etc.) is released under the [CC BY 4.0 IT](#) license, with the requirement of attribution to "City of Turin - www.torinoeuprojects.it". Images and videos granted to the City under specific authorization retain all rights reserved.

Use of Material

Content may be downloaded and reused according to the indicated license. Republishing on other websites must include the statement "City of Turin - www.torinoeuprojects.it".

Information Quality

While every effort is made to ensure accuracy, information may become outdated over time. It is advisable to check the update date and navigate directly on the site for reliable information. The Department is not responsible for any damage resulting from the use of the site and may modify its content without notice.

Social

Networks

The Department's social channels provide updates on European projects and promote transparency, interaction, and participation. Posts follow the project calendar and are released under the [CC BY 4.0 IT](#) license unless otherwise stated. Hashtags are used to help users find information easily.

Comments and interactions are welcome, provided they are respectful. Offensive, threatening, discriminatory, or commercial content is prohibited and will be removed. Off-topic comments or those containing sensitive data may be hidden. These channels do not offer direct support.

Privacy

The processing of users' personal data complies with the policies of the social platforms used and with applicable regulations ([EU Regulation 2016/679 - GDPR](#)). Sensitive data publicly posted will be deleted, while data shared via private messages will be handled in accordance with Italian privacy laws.

Monitoring

The social media channels are managed by the European Projects Office and monitored Monday to Friday (9 AM - 5 PM). Requests will be answered or forwarded to the appropriate departments. In some cases, users may be advised to contact traditional services.
